See Every Moment this Summer

\$600 OFF LASIK

Procedure completed by Labor Day.

Save \$600 on custom blade-free LASIK through Labor Day! Our team of experienced surgeons uses the most advanced technology to provide the most precise, predictable and safest procedure for your unique eyes, and are the only doctors in greater Grand Rapids performing LASIK in an accredited surgery center. 0% financing options available. Find out if you're a LASIK candidate — call 616.774.3937 to schedule your free evaluation.

New EGR Location

William Schultz, OD

Grand Rapids Ophthalmology welcomes Lakeshore Eye and Dr. William Schultz to the GRO family. Lakeshore Eye is our newest location, located at 717 Bagley Ave., East Grand Rapids, in a building occupied by Lakeshore Opticians since 1966. Renovations to update the interior are slated to begin this summer.

Dr. Schultz specializes in primary eye care for all ages, including routine eye exams, preventative care, specialty contact lens fittings, medical eye care, and pre- and post-operative management. We are excited to announce that most insurances will now be accepted.

Dr. Schultz graduated from Michigan College of Optometry and has been in practice since 1989. He is available to see patients at Lakeshore, and then in other GRO offices until the renovation is completed.

Celebrating 35 Great Years!

Grand Rapids Ophthalmology is celebrating 35 years of complete eye care solutions at our 12 locations throughout West Michigan. Our team of 11 ophthalmologists and 19 optometrists is the regional leader in complete eye care. We offer routine eye exams, optical and contacts. Also, patients of all ages count on us for advanced medical and surgical treatments—LASIK, cataracts, cornea, retina, glaucoma and pediatric. Expert care is also available for cosmetic and reconstructive eyelid surgery.

From our patients...

"People say there are no miracles, but you do miracles here. It is unbelievable. I cannot find words to express how I am feeling, and am very anxious to have my second cataract surgery."

"Everything you could ask for with LASIK! Very professional, answered all my questions fully and completely... did a fantastic job restoring my vision."

A special HAPPY BIRTHDAY to Alice Babcock, who has received eye care from GRO and our doctors for 52 years. She has seen Drs. Bliss, Patera, DenBraber, Sheldon, and Kendall. Alice celebrated 105 years in June!

David Den Braber, OD

Serving Ionia for 25 Years

Dr. Den Braber is also celebrating a milestone anniversary this year — 25 years! We invite you to stop by our Ionia office on August 3 to celebrate with us, plus check out the latest frame styles for glasses and sunglasses. If you haven't had a routine eye exam in the last year, now is a great time to schedule your next appointment. Dr. Den Braber has proudly provided eye care in Ionia for 25 years and looks forward to continuing to serve the community for years to come.
