

Your new eyewear is protected by a one-year Eyewear Protection Plan (if purchased). When you utilize your eyewear protection plan, you are responsible for 10% of the retail cost of either the frame, lenses or both. Grand Rapids Ophthalmology will cover 90% of the repair and/or replacement cost for a full year for an unlimited amount of times. The Eyewear Protection Plan is non-transferable and non-refundable.

**The Eyewear Protection Plan includes:**

- Routine cleanings
- Maintenance and repairs, including nose pad and screw replacement
- Replacement of broken or damaged frames
- Replacement of scratched or chipped lenses
- Accidental breakage or damage to frames and/or lenses

**The Eyewear Protection Plan requirements at the time of use:**

- The plan must have been purchased before dispensing the eyewear
- Replacement purchases must be made within one year of the original sale
- Full payment and applicable sales tax are due at the time of usage
- Replacement lenses and frames must be the original prescription, lens options and frame
  - If the original product is no longer available, a product of equal or lesser retail value will be chosen
- The original damaged product must be presented and forfeited at the time of dispense of your new eyewear
- This plan does not cover lost or stolen

The Eyewear Protection Plan covers 90% of replacement cost. Based on your purchase today, See your out-of-pocket with and without the EPP below.
